Subject: FOR FINAL REVIEW: Revised ES and Foreword

Good evening all,

Please find attached, for your final review, the revised executive summary and foreword for the Tire Crumb Report. Annette incorporated both CDC and David's comments.

After ORD approval, the next step is to share the final versions with CDC.

Please let me know if you have any remaining comments/edits/questions.

Best,
Megan

Liz,

Attached is the revised Executive Summary incorporating comments from IOAA and CDC (comments attached). I have included some comment bubbles that highlight where changes were made that might be useful for this review.

Jennifer already has the revised Foreword but I am including again in case she needs this.

Once Jennifer is OK with these documents, I will share with CDC for their final concurrence.

Let me know if you have questions. Thanks.

Best, Annette.
